Parish & School Summer Projects

Part of the major work on our campus this summer has involved our HVAC condenser in our School. With the replacement and/or refurbishment of critical parts, we have spent well over \$150,000 on just this portion alone. Apart from that, as seen in the second image, the testing of all the many parts (air handlers, motors, water supplies, air intakes, etc.) is quite extensive. Likewise, we have updated our monitoring infrastructure.

We are already reviewing blueprints and proposals, because next year (Summer 2025) we are contemplating a major interior overhaul of our HVAC system. We have no solid numbers to share just yet, but expect a major project that looks to address energy efficiency and system effectiveness.

Also among work being done have been some repairs to both the sidewalk/driveway area of our East parking lot as well as the sidewalk by our main Church door entrance. The sunken sidewalk has long been on our radar as it had become a trip hazard. Apparently, the pillar accelerates the settling of the concrete, but it is all level now and should be good for a while.

Thanks to *John Gavin* (JPG Construction) for his work.

Another set of minor projects, but useful ones, have been on the East and West side of our campus. On the East side, off of Harlem, our Mary statue (in our Prayer Garden) had tipped over because the heavy concrete statue sank in the dirt. That side of campus is a low-point, so rain had softened the ground over time as such that it could no longer support the statue's weight. A concrete base has been constructed to rectify that issue.

Similarly, we refreshed the IC logo in front of our school, replacing the bricks and repainting the 'IC'. I still have a mind to elevate the 'IC' (which weighs a lot), but need to check what is most safe for the hill landscape. We also have plans in development to further beautify the space in the future.

Thank you for your commitment and continued support of IC which makes all of these projects possible! More to come... - Fr. Matt

Rectory Assembly

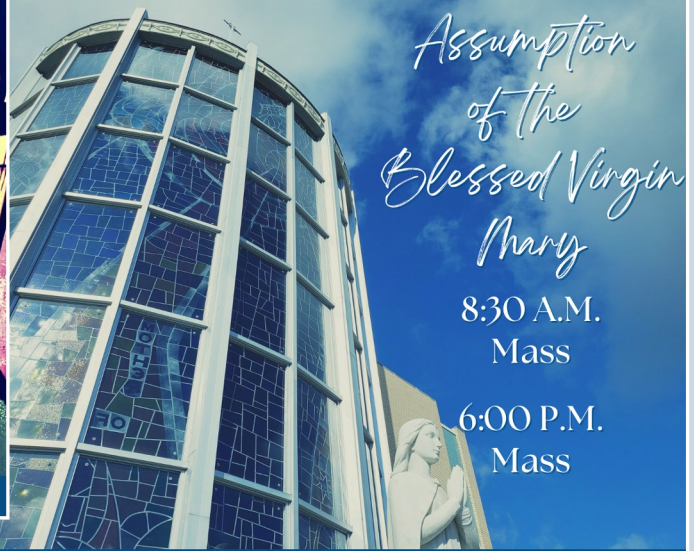

Lectio Divina means "divine reading" in Latin. It is a meditative technique of reading the Bible in which we let go of our own agendas and open ourselves (intellectually & emotionally) to what God is trying to communicate to us.

"From this day all generations will call me blessed: the Almighty has done great things for me and holy is his name."
- Luke 1:48-49

Priests' Health & Retirement/PRMAA

Our priests have dedicated their lives to ministry, serving our needs as Catholics from the moment we are baptized until we receive the anointing of the sick before entering eternal life. Now, with healthcare and retirement costs rising, there is an urgent need for your support. Consider including a legacy gift for Priests' Health and Retirement to ensure the health and well-being of our archdiocesan priests. Your generosity will not only support their ability to continue meaningful work in our parishes and communities but also provide funds for health insurance, medication, wellness costs, nursing care, and independent retirement living residences.

You can make a gift online or send your contribution to:

Priests' Health and Retirement/PRMAA, 1400 South Wolf Road, Bldg 3, Flr 2, Hillside, IL. 60162.

For more information, please call Priests' Health and Retirement at 708.449.8026.
