### *Our Journey Through Ordinary Time*

Recently, while walking by our church's altar, the space there seemed very empty to me once our Christmas décor was taken down. I had become accustomed to seeing our lit Christmas trees and our beautiful nativity scene filling up this sacred space. You might have had the same impression, or perhaps you noticed that the priest and the deacon are now wearing a green vestment and dalmatic during our Mass. Of course, all of these are signs that we have transitioned into the Ordinary Time of our liturgical calendar.

The Catholic Church's liturgical calendar has a profound meaning. In one way, it can be seen as a tapestry that guides the faithful through the mysteries of Christ's life, death, and resurrection. Each season carries its own unique themes, prayers, colors, etc., which are meant to deepen our spiritual life and help us to reflect on our faith. Advent is, of course, a season of hopeful anticipation for the birth of Christ, followed by the joyous celebration of Christmas. After Christmas, the Church transitions into Ordinary Time. The other familiar season, which begins this year with Ash Wednesday on March 5<sup>th</sup>, is Lent. It is a time of penance and preparation for Easter. The celebration of the Resurrection of Christ, concludes with Pentecost, marking the descent of the Holy Spirit and the beginning of the Church's mission until Christ's return at the end of times.

Ordinary Time in the liturgical calendar might sound plain, but it is far from ordinary. This season, which happens twice a year, focuses on the life and teachings of Jesus during His public ministry. The word "ordinary" comes from the Latin *ordinalis*, meaning *numbered*, since the Sundays in this season are counted. It is God's time of grace given to us to help us grow in faith, reflecting on the everyday aspects of discipleship, like prayer, acts of love, and living out the Gospel. Ordinary Time may not have the dramatic highs of Christmas or Easter, but it is where our faith can truly take root—in the steady rhythm of life, in our daily tasks of housekeeping, work and school.

The color green, used in this season, symbolizes growth and life, inviting us to nurture our relationship with God in the ordinary moments of life. Through our daily and Sunday Scripture readings, we hear about Jesus' miracles, parables, and His call to follow Him, encouraging us to bring His message into our daily routines. So, as we make our way through this season of the Church, let us remember that every moment of "Ordinary Time" is an opportunity to have an "extraordinary" encounter with Christ.

In Prayer,  
Fr. Michael

### *Order of Christian Initiation of Adults (OCIA): Rites of Entrance (Catechumens) and Welcoming (Candidates)*

This past Sunday, January 19, 2025, at our 10:30 A.M. Mass we celebrated the Rite of Entrance for our catechumens: *Matia*, *Nicole*, and *Tawny*, and the Rite of Welcoming for our candidate: *Meredith*.

Pictured in the first row (L-R) are *Nicole*, *Meredith*, *Matia*, and *Tawny*. To the right of *Tawny* is our catechist, and *Matia's* mother, *Joan*. In the second row are *Cairo*, our lead catechist and *Matia's* sponsor *Carol*, and *Tawny's* sponsor *Margaret*. In the third row are *Giovanni*, *Irma*, *Nicole's* sponsor, *David*, *Meredith's* husband, and their child *Natalie*, and *Deacon Rick*. Our other candidate *Zach* will be welcomed at a later date. We congratulate our catechumens and candidates as they continue their journey towards their full initiation into our precious Catholic faith at the Easter Vigil. Please keep them in your prayers.

*Future City: How Can We Make The World A Better Place?*

Congratulations to our IC Future City Team (Zachary Chakir, Tommy Cox, Bridie Hanley, Lucas Love Kira Magis, Eamonn Serb & Aidan Tom) on their "Nero Bay" model and presentation which won 2 awards during this year's Regional Competition on Saturday, January 18<sup>th</sup>: "Most Innovative Use of a Floating Environment" and "Best Land Surveying Practices."

Future City is a hands-on cross-curricular educational program that brings STEM to life for students in grades 6<sup>th</sup> through 8<sup>th</sup>. Using the Engineering Design Process (EDP) and project management skills, students showcase their solutions to a citywide sustainability issue. This year's challenge/theme: "Above the Current" required students to design a floating city and provide two innovative examples of how your floating city works and keeps its citizens healthy and safe.
