Ms. d'Escoto's 3 Year Old Preschool Class

It's beginning to look a lot like Christmas in Room 18! Our 3-year old Preschool classroom is hard at work preparing for the birth of the baby Jesus. Every Monday we begin our day by "lighting" the next candle on our Advent wreath. We sing our Advent song, "Jesus is Coming" every morning to remind us that Advent is the season of waiting. We are also counting down to Christmas. Every day a child gets to trim Santa's magical beard and take a piece of the magic home! After learning the story of the birth of Jesus, the children are encouraged to act out the story using the pieces on the felt board or the creche under our Christmas tree. Finally, we are creating gifts for our Mommies and Daddies to celebrate God's love and the birth of His son, Jesus. It is a busy and special time for all!

### Immaculate Conception Parish Catholic High School Scholarship Fund

As we recognize the value and importance of a Catholic High School education, our parish is currently in the process of resuming our **IC Catholic High School Scholarship Fund** (which began last year) in the hope that this could potentially make a difference in the

ability of our graduates to continue their Catholic education. All graduates from Immaculate Conception School or our IC Religious Education Program, who either will attend a Catholic High School next year or are currently attending Catholic High Schools, would be eligible to apply. Application materials and directions will be posted on [icchicago.org](http://icchicago.org) **after March 1, 2022** with applications due by **May 1, 2022**. While the amount and number of scholarships available will depend upon the amount of money raised, it is hoped that they would be a minimum of \$500, as they were last year. Also, while it is hoped that the scholarships could be renewed, funding initially is only guaranteed for one year. If you would like to contribute electronically to our **IC Catholic High School Scholarship Fund**, please visit: [givecentral.org/location/349/event/28631](https://givecentral.org/location/349/event/28631) Please contact Fr. Robert Carlton with any questions.

## Gospel Meditation - Encourage a Deeper Understanding of Scripture

In his Apostolic Exhortation, *The Joy of the Gospel*, Pope Francis references a thought from Pope Benedict XVI: *"Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction."* Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, *"Thanks solely to this*

*encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."*

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.
