What's Happening In Our STEM Lab

IC students are hard at work in our STEM Lab! By working through a combination of learning strategies, they discover the nature of a problem, understand the variables involved and gain a perspective viewpoint of those affected. This method of problem-based learning provides our students with opportunities to become problem solvers, risk takers, critical thinkers & innovators.

God of knowledge and faith, thank you for the opportunity to go to a Catholic school. When I attend Mass, I hear that knowledge is so important. Thank you for my parents and grandparents who have built our school and supported it throughout the years. Help me to be a good student and to become a good supporter of my parish, city, and country. Please bless all those men and women who have spent their lives teaching in our Catholic schools. Please bless my friends and teachers I learn with every day. I ask for all these blessings in the name of God's Son, Jesus. Amen.

Saint of The Week - Examples of Our Faith: Saint Blaise (February 3rd)

You may be familiar with the annual "blessing of throats" that many parishes in the United States use to commemorate the beloved bishop and martyr. St. Blaise lived in the fourth century in Turkey and Armenia. Due to religious persecution, he was forced to flee and hide in a cave in the back country in order to save his life.

History has it that one day a group of hunters stumbled upon where St. Blaise was living. They found the bishop kneeling in prayer, surrounded by wolves, lions and bears that he had tamed. The legend has it that as the hunters dragged Blaise off to prison, a mother came with her young son who had a fish bone lodged in his throat. At Blaise's command, the child was able to cough up the bone and thus lived.

Today we remember the saint on his feast day by taking two candles, crossing them against the throat, and saying the following prayer:

Through the intercession of St. Blaise, bishop and martyr, may God deliver you from ailments of the throat and from every other evil. In the name of the Father, and of the Son, and of the Holy Spirit. Amen. ©LPi

Gospel Meditation - Encourage a Deeper Understanding of Scripture

St. Oscar Romero (1917-1980) was a “Salvadoran Roman Catholic archbishop who was a vocal critic of the violent activities of government armed forces, right-wing groups, and leftist guerrillas involved in El Salvador’s civil conflict (Encyclopedia Britannica).” As a voice of the voiceless, he was an outspoken champion of the poor who were the ones most affected by the civil unrest and violence. His advocacy provoked several attempts on his life. Nonetheless, St. Oscar Romero was convinced that before all else his faith in the resurrected Christ and the values of the Gospel trumped any

earthly concern or worry. He walked with complete confidence and trust. On March 24, 1980, St. Oscar Romero was assassinated while celebrating Mass. Such is often the fate of those who challenge the socio-political agendas of the day.

We may look at the example of witness of St. Oscar Romero as something extraordinary. In one sense it is. Through the power of God, an ordinary human being did extraordinary things. But, in and of himself, St. Oscar Romero was simply a humble, loving servant of God. Oscar knew not only the power of love but the risk that comes when loving unconditionally. The beauty of God’s message was able to shine in and through him because he was able to step out of the way and be a vessel. One can assume that for St. Oscar Romero, one’s earthly life has no merit when faith, integrity, conviction, zeal and love are jettisoned. Fear and apprehension had no grip on this man who not only saw but spoke the truth.

Do we speak the truth? It makes us feel good to speak of God as love. But have we ever considered the ramifications of this radical message? There are assaults on human life occurring daily. More and more the value and worth of a human being is being reduced and minimalized. We are becoming widgets in the production of life. In our whole simple humble ways, we too are called to be prophets. Knowing who you are and what is within your means to do, how can you make God’s love real, stand up for what is right, and give witness to the sacredness of all that is around you? ©LPi
