On Thursday, May 5<sup>th</sup> & Friday, May 6<sup>th</sup> our IC Drama students (in 1<sup>st</sup> through 8<sup>th</sup> grade) presented their production of "Finding Nemo" to an enthusiastic audience comprised of classmates, friends and family members. Under the direction of Ms. Szwedo (IC's beloved Drama & Middle School teacher for the past 22 years), our talented actors (attired in vivid costumes) brought Nemo's story to life on our Parish Center stage over the course of 2 matinee & 2 evening performances to the delight of all present.

*Gospel Meditation - Encourage a Deeper Understanding of Scripture*

*“It is necessary for us to undergo many hardships to enter the Kingdom of God.”*  
 Many folks really work very hard to circumvent difficult situations. We prefer the easier way around something, rather than risk inconvenience, hurt or prolonged suffering. It’s no wonder euthanasia is rapidly becoming acceptable around the world. Through purely human eyes, there is no issue bypassing the inevitable, taking control and bringing things more swiftly to a place of peace. If this is the way God sees things, then why does Jesus make such a big deal helping us understand the experience of suffering and embrace it? God’s wisdom clearly takes us in another direction.

Imagine if we were able to eradicate ALL hardship and suffering. Where would we be? As we look at our own journeys, many of our solid more growth producing life lessons have been born of suffering, disappointment, inconvenience, darkness, and despair. There is something sacred about all of these experiences as God uses them to create something new. Envisioning a life without hardship and suffering brings us to a vision where everything is flat-lined and dull. As much as hardship and suffering are difficult crosses to bear, not taking them up runs the risk of us becoming shallow, empty, and lifeless. Helen Keller remarks that, *“a happy life consists not in the absence but in the mastery of hardships.”* What an incredibly wise insight! Many really successful people and saints were brought to their station in life because they suffered. Suffering teaches us about what’s important and propels us to search the depths of our souls for resources and strength we never would have known before.

This is especially true when we love as Jesus asks us to love. Love, perhaps above any other experience, can cause us great hardship, pain, and suffering especially when it’s authentic and unconditional. While it can thrust us into an incredible experience of God and life on one hand, it can bruise and wound us deeply on the other. Mastering the art of love is the secret to living life well, walking in the presence of God and investing in the joy of the Gospel. Love and suffering walk hand in hand. Compromising one will compromise the other. Maybe that’s why Jesus spent so much time convincing us to accept both. ©LPi

*Calling All IC Families...*

During the pandemic, we were forced to suspend gift-bearing at our Masses. With the worst of this behind us, we have resumed our tradition of families bringing up the bread and wine during the *Preparation of Gifts*. If your family is called to this ministry, we would very much like to hear from you. The process is simple. You simply bring the gifts from the back of our church to the foot of the altar during our preparation hymn. You may contact our parish office at 773.775.3833 to sign up for a particular weekend/Mass. You may also email [swill@icchicago.org](mailto:swill@icchicago.org) and I will alert our Greeters that you will be bringing up the Gifts. Please do consider participating. Our IC families are the life blood of our parish. Your physical presence and participation are critical to our mission of spreading Gospel values throughout our community. Peace – Scott (Director of Worship)

*Saint of The Week - Examples of Our Faith: Saint Margaret of Cortona (May 16<sup>th</sup>)*

Though St. Margaret of Cortona (1247 – 1297) is today known as being an incredibly pious Catholic, she didn't start out that way. Born into a farming family in Laviano, Tuscany, her mother died when St. Margaret was seven. Her father remarried, but life with her stepmother was so difficult that St. Margaret moved out of the home and instead chose to live with a man named Arsenio, though they weren't married. They had been living together for nine years when she gave birth to a son. Knowing in her heart that this wasn't the life that God intended for her to have, she prayed for purity.

One day while waiting for Arsenio, his dog led her into the forest where she found Arsenio murdered. So shocked was St. Margaret that she fell into a life of penance. She and her son returned to Laviano, but still found her stepmother to be as unwelcoming as ever. They then went to Cortona, and eventually her son became a friar.

Three years after her conversion, St. Margaret followed in her son's footsteps and became a Franciscan tertiary. During her life, St. Margaret established a hospital and founded a congregation of tertiary sisters. She was canonized in 1728. ©LPI
