### 7<sup>th</sup> Grade Science Fair

On Thursday, March 20<sup>th</sup>, all of 7<sup>th</sup> grade participated in the IC Science Fair. Each student utilized the scientific method to research, plan, design, and conduct an experiment in order to provide answers to the topic question they came up with. Every single student presented their project to numerous IC students, teachers, friends, family members, and a panel of judges throughout the

entire day. I'm very proud of the effort and work brought forth from every single student in 7<sup>th</sup> grade. They should be very proud of themselves! A big congratulations to *Bridie Hanley* (3<sup>rd</sup> place), *Hailey Wallace* (2<sup>nd</sup> place), and *Jordan Geyer* (1<sup>st</sup> place), whose science fair projects most outstandingly demonstrated the scientific method, creativity, clarity, and scientific achievement.

*Please join our parish family in prayer ...**For those who are sick;*

### Support Catholic Charities Today!

Your support today can create stability for generations.

Make your gift to the 2025 Mother's Day Appeal today to support mothers and children across Cook and Lake counties. Your generosity helps us serve more than 61,000 moms and families every year with supports that promote long-term growth and well-being.

Read about Dianne\*, a recipient of Catholic Charities' Giving Hope Fund:

Dianne was working hard to maintain stable housing for her son, with support from Catholic Charities, when she experienced an unexpected personal tragedy and couldn't manage all her expenses. The Giving Hope Fund at Catholic Charities provided financial assistance for utilities needed to stay in their apartment. "I never had someone show me so much love and respect," Dianne says. Now she passes that love on, including to her son, whom she encourages to pursue his goals. "I want him to get something more out of life than what I had. My son is my pride and joy. I am forever grateful."
