Welcoming Our New Parishioners @ Breakfast: Sunday, April 14th

7th Grade Science Fair

On Tuesday, April 16th, all of 7th grade participated in the IC Science Fair. Each student utilized the scientific method to research, plan, design, and conduct an experiment in order to provide answers to the topic question they came up with. Every single student presented their project to numerous IC students, teachers, friends, family members, and a panel of judges throughout the entire day. I'm very proud of the effort and work brought forth from every single student in 7th grade. They should be very proud of themselves! A big congratulations to Mylee Tadin (3rd place), Giada Rocha (2nd place), and Thomas Cox (1st place), whose Science Fair projects most outstandingly demonstrated the scientific method, creativity, clarity, and scientific achievement.

Please join our parish family in prayer ...
