Projects and Planning

While I generally use this space for reflection, I think that it is equally as important to keep everyone informed regarding our projects and priorities. So, to that end, please see a brief survey below of what we are currently doing at IC:

We are replacing our kneelers in our Church

The short story is that along the way, some 7 years ago or so, IC began replacing kneelers but only got through approximately 25% or so of them. The kneelers at the back of our church are in a particularly sorry state. Including the choir stalls, and the kneelers in front of our candles and all our pews, all will be repadded sometime this year (assuming supply lines hold).

While it may seem purely cosmetic, I think it's another good step towards fulfilling one of our core values, namely providing a "Transformative Sunday Experience," which is to say that we give our best and do our best to pray together. Having a clean, hospitable, well-cared for space is a part of that.

This project was made possible by a bequest given to us recently. My thanks to the families who have kindly remembered us in their wills.

We have added a new Cantor

Ben Paoelli, our new cantor, has joined us recently to round out our vocal quintet. Music is an important part of worship. While it should never supersede or replace worship, I think it's worth investing in. Music lifts our minds to a higher place, and it makes prayer more accessible. Scott and I have worked hard to mix approachable, congregational pieces that everyone can sing along with, along with more technical pieces for our artists to showcase their God-given talents.

You may have noticed occasional instrumentalists joining us on Sunday mornings as well. While not a permanent, weekly feature, it's nice to sprinkle in different sounds throughout the year. Join us for our Vespers services on Thursday evenings in Advent to see our choir at their best!

Similarly, thank you to all those who donate to our Music Ministry fund, which allows us to offer our best every week!

Alpha and Evangelization

As I preached last week, in order for our community to grow, we need to take the right approach.

What doesn't work: programs, classes, and service opportunities.

What does work: relationships, spiritual renewal, encountering Jesus, becoming a disciple

A disciple can more fruitfully run programs, teach, and serve. A disciple also invites, accompanies, and collaborates. My focus on Alpha is not mere preference. It's a program I believe helps us form disciples, especially for those who desire to go deeper in our faith. I'm incredibly proud of our team and the people who have given it a chance. We cannot grow our parish without ourselves growing in Christ. Please keep an eye out for our further offerings and opportunities.

Kindergarten Fun In Room 24

There are a lot of fun learning experiences taking place in Kindergarten at Immaculate Conception, especially during the month of October. We began the month by celebrating the Feast of St. Francis of Assisi. Kindergartners learned about his life and agreed that we should love and respect all of God’s creation, especially the animals. Celebrating “Fire Prevention Week” was another very important topic we learned about. Students learned from Sparky the Fire Pup about ways to prevent fires and how we can stay safe if there is a fire. “Stay Low and Go” and “Stop, Drop, and Roll” were two important concepts we read about, as well as what a firefighter does and uses to fight fires. Once October started, our thoughts went right to HALLOWEEN! Kindergartners had a great time digging into pumpkins to identify the different parts and predicting how many pumpkin seeds were in our pumpkins. Do pumpkins float? What dissolves candy corn the fastest? Students followed the scientific method to make predictions, experiment, and record observations and results. We are excited to see what fun comes our way in November!

Learning About Pumpkins In Room 23

Kindergartners in Room 23 have been busy learning about pumpkins! They learned about the pumpkin life cycle and sequenced the steps from seed to pumpkin. Kindergartners were also excited to “investigate” a pumpkin! They discussed the attributes of a pumpkin and weighed and measured the pumpkin. They were surprised to find out that the pumpkin floats. Their favorite part was seeing the inside of the pumpkin after it was carved!

Gospel Meditation - Encourage a Deeper Understanding of Scripture

Centuries of God’s devoted people have found this prayer on their lips: “Hear, O Israel! The Lord is our God, the Lord alone!” The fundamental prayer has been laid as the cornerstone of many spiritual lives. Where did you learn how to pray or did you? Maybe there is a wisdom figure in your life who inspired and guided you by the genuine, holy simplicity of their lives. His or her example may have led you to God and taught you how to pray. Or perhaps you discovered this art on your own after stumbling over yourself enough times and finally realizing it was time to reach out to Someone greater than yourself. There is a timeless truth that we not only tend to forget, but may have never

learned. There is only one God, the Lord alone! As a result, we often worship other gods rather than the One true God. Everything in our life gets distorted and we find ourselves lost and off center.

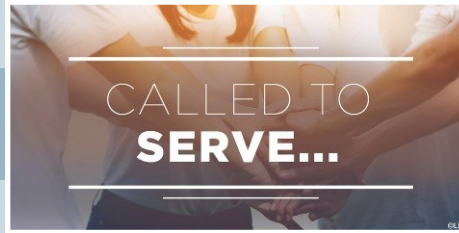

If we haven’t learned it yet, there is a life lesson at the top of all of the possible lessons to be learned. There is One True and Eternal God who alone has a solitary claim on us and must be loved with all our heart, soul, mind, and strength. Until we learn this primary lesson, we run the risk of getting distracted and sidetracked. We will also never really figure out what is at the heart of the relationships we share with the other human beings on this planet with whom we share life. That one primary lesson will teach us the second most valuable lesson: that we must love our neighbor as ourselves. You cannot have one without the other. The presence of God in the core soul of each one of us requires that all of our relationships work together. This truth is at the heart of the Gospel.

If every human being, each in their own way, could stumble upon and genuinely embrace this truth, look how different life would be! Our priorities will immediately shift from “I and me” to “us and we” and we will develop a more inclusive vision for our brothers and sisters. Concerned not only about my own wellbeing and happiness but also that of our brothers and sisters, humanity stands a chance at succeeding in the struggle with injustice, abuse, inequity, violence, war, entitlement, and privilege. It seems that getting to this point has been at the heart of the Gospel and the kingdom of God from the moment Jesus first started to preach. It’s a wonder why, then, why so many centuries later, we have still failed to achieve His vision. Maybe we just haven’t learned our primary lessons yet. ©LPi
